Re: Proposed Annexation to the City of
West Covina, Annex, Dist. #132.

Dear Sir:

At a meeting held on January 12, 1955, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of December 27, 1954, of the proposed annexation to the City of West Covina, Annexation District No. 132.

Upon recommendation of the County Surveyor, this description was revised to meet State Board of Equalization requirements. They interpret Section 54900 of the Government Code to mean that a metes and bounds description is necessary. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,
